

THE
Foundation
FOR **Mississippi History**

The Foundation for Mississippi History raises funds to help support and promote the activities, programs, projects, and purposes of the Mississippi Department of Archives and History. It was established in 2005 to offer support for a broad range of projects—from the opening of the Eudora Welty House in 2006 to the development of exhibits for the Museum of Mississippi History, and from the restoration of the Old Capitol Museum, completed in 2009, to the conservation of important civil rights collections in the archives.

The Foundation is now raising the funds necessary to design, construct, and install the exhibits in the new Museum of Mississippi History and the Mississippi Civil Rights Museum. If you would like to support this effort, please use this form or make a secure, online contribution with your credit card at www.mshistory.net.
